## EDUCATION

**international business bilingual spanish and english** sep 2020 - heden

Summacollege, Eindhoven

I chose this course because I like traveling and economics / business . I also like to get to know other people culture because that is useful for my job later . Spanish culture appeals to me the most and therefore would i like to do an internship in Spain to learn the culture and working atmosphere of Spain.

## WORK EXPERIENCE

**Salescaptain** aug 2020 - dec 2021

Directresult, Eindhoven

I started at direct result as a starting sales person. at the beginning i also got the feature talent which is a feature for a beginner who learns quickly and does his job well . gradually i started to make a profit for direct result so i got a managerial position and was also an important person for our location in eindhoven

**Waiter** sep 2022 - heden

Veera, eindhoven

I couldn't work for a long time because of my internship after my internship was over i went to vacation after my vacation I started looking for work then . I found Veera I think it's a really nice side job I'm fun socially involved Easy to do with my education and I have a very nice team at work

## INTERSHIP

**writer for website/marketer** jan 2022 - apr 2021

souky BV, Eindhoven

this was my first internship place for my education. It was a fun experience learned a lot about marketing and how to put your name on the market and attract customers . Definitely left with a smile
