FRANCE

PROFESSIONAL EXPERIENCES

- **Carrefour**

November 2021 - August 2022

Student contract - Cashier

Being a cashier brought me financial skills at a low level by learning how to manage a cash register and handle these responsibilities.

- **Mapetitepension.com (start-up)**

January 2022 - March 2022

Internship - Web-marketing

During this internship I was able to discover the world of entrepreneurship. I mostly work on the entire communication of the company on social networks. I have learned to be independent and autonomous through teleworking.

- **Burger King**

March 2021 - June 2021

Student contract - All-rounder

This job allowed me to understand the importance of teamwork while being able to be autonomous and versatile. I also had the chance to pass on my knowledge by training new team members.

- **Darty**

November 2020 - January 2021

Internship - Sales advisor

This first internship helped me to concretize my notion of customer relations and to develop my ability to negotiate and sell.

- **Filipo & Co (restaurant)**

November 2019 - March 2020

Extra - Waitress

Being a waitress allowed me to develop my first concept of customer relations thanks to the table service in a stressful and noisy environment.

SCHOOL EDUCATION

University of California, Riverside

Academic exchange

One quarter in fall 2022

Ipag Paris Business School

Grande Ecole Program

2020-2025

GOAL

Being a determined and open-minded person, I have always dreamed of having this experience. Working alone abroad for a large company. This dream coming true is for me a great professional and personal opportunity and I hope you will give me the chance to take full advantage of it.
