Subject: Application for an Internship in marketing and events.

Dear Sir/Madam,

I am a second-year Bachelor of Business Administration (BBA) student at Em Lyon in France, a leading French Business Management School. As part of my 2nd year of studies, I am required to undertake **an internship for a period of 4-5 months starting March 2024**, this is why I'm sending you my application **for an internship in marketing and events**.

I would like to express my strong belief that I am the ideal candidate for an internship within your organisation. My internship experience in communication during my first year of studies allowed me to apply my knowledge. My ability to manage time and priorities allows me to maintain an organised and efficient work environment.

As a reputable and renowned company, I would like to request the opportunity to have an internship within your organisation, whose excellence in general management, marketing and events correspond perfectly to my professional aspirations. I am convinced that your company would provide an excellent framework for me to acquire the necessary skills and knowledge to complete my training. My level of English is not necessarily very high, but I will do my best to learn and progress and will ensure that the tasks you give me are up to your expectations.

In addition, my sociable, collaborative and dynamic profile will make me easy to integrate into your organisation and always ready to contribute to its smooth running. You can count on my motivation to succeed during this internship, which would represent a real opportunity for me.

Finally, my personality is characterised as collaborative, dynamic, and trustworthy, traits that are essential to contribute significantly to marketing and events.

I hope to be able to demonstrate my motivation to you during an interview at your convenience and I remain at your disposal for any further information.

Thank you in advance for your interest and the time you have taken to read me.

I look forward to hearing from you.

Yours faithfully,

Thais PIEJOS
