

I am writing to express my strong interest in the opportunity to complete a 3-month internship in your company in the sales, logistics or purchasing field, starting in March 2024. As a third-year French student pursuing a double major in International Business and marketing Techniques, currently studying at the Open University in Ho Chi Minh City as part of an exchange program, I am excited to leverage my skills in management, sales, logistics, negotiation, communication, and marketing to contribute to your team.

My academic background has provided me with a comprehensive understanding of sales and negotiation strategies. Through coursework and practical projects, I have honed my ability to analyze market trends, develop effective marketing campaigns, and excel in sales and negotiation situations.

During my previous internship at Havas Communication Agency in Algiers, I gained valuable experience managing the image of various retail brands, which further deepened my knowledge of effective marketing strategies.

I am particularly drawn to your company due to its reputation for innovation and its commitment to excellence. I am eager to contribute my skills and enthusiasm to your team and further develop my understanding of the industry during my internship.

Thank you for considering my application. I look forward to the opportunity to discuss how my qualifications align with your goals and how I can contribute to your team's success. Please find my CV attached for your reference.

Sincerely,

Bousetta Manil
